## WALK DESCRIPTION

Canton's First Monday Trade Days is known as the granddaddy of all flea markets. It has been featured in National Geographic, the Wall Street Journal, and on the A&E Channel. There is something to be found here for everyone.

We will be visiting during one of the Trade Days' slower periods to allow ease of walking. However, there will still be plenty of doodads, knickknacks, yard art, furniture, nuts, salsa, tools, junk, and treasure to discover.

We will be walking in and out of covered Pavilions as well as on sidewalks, surface streets, and gravel roads. This walk is rated 1 and is suitable for stroller or wheelchair.

## AVA SPECIAL EVENTS
