## Membership Application

The Dallas Trekkers Walking Club promotes non-competitive walking and other family-oriented sports activities. We sponsor about eight scheduled walking events annually and maintain a number of community trails on the Dallas side of the Metroplex. Our walks and trails are open to anyone who likes to walk. Our organization also promotes trail development and encourages a healthy lifestyle enhanced by frequent walking opportunities.

The Dallas Trekkers are part of the world-wide volkssporting program with participants in more than 40 countries. As a volkssporter you have an opportunity to take part in the international awards program where you maintain a record of your events and distance traveled and receive incentive awards for completed milestones.

Members of the Dallas Trekkers receive the club newsletter packed with information about upcoming events, walking news, health tips and announcements of club activities. As a new member you receive your choice of a club patch or pin and have an opportunity to take part in the Dallas Trekkers' Frequent Walker Program which offers substantial discounts to help encourage members to walk on a regular basis. As a member you will also have an opportunity to meet others who share your enthusiasm for walking and to volunteer to help with one of the many jobs that go into a successful walking event.
